Jackie Kennedy - The White House

"Private and bookish, Jackie Kennedy found herself thrust into the world spotlight as the young and glamorous wife of the President John F. Kennedy. As First Lady she restored the once neglected rooms of the White House to their former glory, and through her charm and elegance became a style icon whose influence is still felt even today"--

Photographs of the former first lady and the suits, dresses, and gowns she wore during her White House years accompany essays describing each outfit's history.

The instant New York Times and USA Today bestseller! The untold story of how one woman's life was changed forever in a matter of seconds by a horrific trauma. Barbara Leaming's extraordinary and deeply sensitive biography is the first book to document Jacqueline Kennedy Onassis' brutal, lonely and valiant thirty-one year struggle with post-traumatic stress disorder (PTSD) that followed JFK's assassination. Here is the woman as she has never been seen before. In heartrending detail, we witness a struggle that unfolded at times before our own eyes, but which we failed to understand. Leaming's biography also makes clear the pattern of Jackie's life as a whole. We see how a spirited young woman's rejection of a predictable life led her to John F. Kennedy and the White House, how she sought to reconcile the conflicts of her marriage and the role she was to play, and how the trauma of her husband's murder which left her soaked in his blood and brains led her to seek a very different kind of life from the one she'd previously sought. A life story that has been scrutinized countless times, seen here for the first time as the serious and important story that it is. A story for our times at a moment when we as a nation need more than ever to understand the impact of trauma.

Draws on archives and interviews with authors, colleagues, and friends to examine Jacqueline Kennedy Onassis' time as an editor, revealing both the serious and the mischievous woman underneath the glamorous public image.

To mark John F. Kennedy's centennial, celebrate the life and legacy of the 35th President of the United States. In 1964, Jacqueline Kennedy recorded seven historic interviews about her life with John F. Kennedy. Now, for the first time, they can be read in this deluxe, illustrated eBook. Shortly after President John F. Kennedy's assassination, with a nation deep in mourning and the world looking on in stunned disbelief, Jacqueline Kennedy found the strength to set aside her own personal grief for the sake of posterity and begin the task of documenting and preserving her husband's legacy. In January of 1964, she and Robert F. Kennedy approved a planned oral-history project that would capture their first-hand accounts of the late President as well as the recollections of those closest to him throughout his extraordinary political career. For the rest of her life, the famously private Jacqueline Kennedy steadfastly refused to discuss her memories of those years, but beginning that March, she fulfilled her obligation to future generations of Americans by sitting down with historian Arthur Schlesinger, Jr., and recording an astonishingly detailed and unvarnished account of her experiences and impressions as the wife and confidante of John F. Kennedy. The tapes of those sessions were then sealed and later deposited in the John F. Kennedy Presidential Library and Museum upon its completion, in accordance with Mrs. Kennedy's wishes. The resulting eight and a half hours of material comprises a unique and compelling record of a tumultuous era, providing fresh insights on the many significant people and events that shaped JFK's presidency but also shedding new light on the man behind the momentous decisions. Here are JFK's unscripted opinions on a host of revealing subjects, including his thoughts and feelings about his brothers Robert and Ted, and his take on world leaders past and present, giving us perhaps the most informed, genuine, and immediate portrait of John Fitzgerald Kennedy we shall ever have. Mrs. Kennedy's urbane perspective, her candor, and her flashes of wit also give us our clearest glimpse into the active mind of a remarkable First Lady. In conjunction with the fiftieth anniversary of President Kennedy's Inauguration, Caroline Kennedy and the Kennedy family are now releasing these beautifully restored recordings on CDs with accompanying transcripts. Introduced and annotated by renowned presidential historian Michael Beschloss, these interviews will add an exciting new dimension to our understanding and appreciation of President Kennedy and his time and make the past come alive through the words and voice of an eloquent eyewitness to history.

Jacqueline Kennedy Onassis - The White House

Focusing largely on Jacqueline Kennedy's White House years, an intriguing portrait examines the complexities of Jacqueline Bouvier's marriage to John F. Kennedy, her mastery of political symbolism and imagery, and her impact on the nation's cultural life.

She was a woman of confidence, focus, and passion, and it made her one of the world's greatest sources of inspiration and influence. She drew on a remarkable wealth of self-knowledge and a sense of purpose to cope with extraordinary public demands and overwhelming private needs. How can anyone emulate Jackie? What Jackie Taught Us offers Jackie's own personal lessons about how best to live one's life with poise, grace, and zest, including wisdom about image and style, courage and vision, men, marriage, motherhood, and motivation, and how best to apply those lessons to everyday life. With the shining example of this American icon, we can illuminate who we are, what we want—and what we truly need from ourselves and each other.

The first full biography of Jackie Onassis since her death offers revelations about her life and the life of JFK, chronicling her work as a mother, editor, and spiritual seeker.

An absorbing chronicle of a much overlooked chapter in Jacqueline Kennedy Onassis's life—her nineteen-year editorial career History remembers Jacqueline Kennedy Onassis as the consummate first lady, the nation's tragic widow, the millionaire's wife, and, of course, the quintessential embodiment of elegance. Her biographers, however, skip over an equally important stage in her life: her nearly twenty year long career as a book editor. Jackie as Editor is the first book to focus exclusively on this remarkable woman's editorial career. At the age of forty-six, one of the most famous women in the world went to work for the first time in twenty-two years. Greg Lawrence, who had three of his books edited by Jackie, draws from interviews with more than 125 of her former collaborators and acquaintances in the publishing world to examine one of the twentieth century's most enduring subjects of fascination through a new angle: her previously untouted skill in the career she chose. Over the last third of her life, Jackie would master a new industry, weather a very public professional scandal, and shepherd more than a hundred books through the increasingly corporate halls of Viking and Doubleday, publishing authors as diverse as Diana Vreeland, Louis Auchincloss, George Plimpton, Bill Moyers, Dorothy West, Naguib Mahfouz, and even Michael Jackson. Jackie as Editor gives intimate new insights into the life of a complex and enigmatic woman who found fulfillment through her creative career during book publishing's legendary Golden Age, and, away from the public eye, quietly defined life on her own terms.
