The Berringer Bodyguards File #2 Name: Ely Berringer Trademarks: Clean-cut former marine who's all muscle...and all hotness! Biggest weakness: This good boy likes a bad, bad girl.... Bodyguard Ely Berringer's job was simple: find the missing woman. But there's nothing simple about smokin'-hot tattoo artist Lydia Hamilton...or the fact that they once shared a wickedly sexy night together. And once he finds her in Montana, he realizes that one night with Lydia was definitely not enough! Lydia's been trying to sort out the sale of her childhood home and ranch. But lately there's been a rash of nasty incidents—break-ins, damaged property...just enough to convince Ely that he needs to stick around. And if that means some no-strings-attached naughty nights? Well, he's all hers...even if it is only for the holidays!

Overview In this fascinating new inquiry into contemporary culture, Charles Pickstone, a priest, argues that the pervasiveness of sex in our society mirrors religion's former glory. Indeed, according to Pickstone, sex has usurped religion's position on the spiritual pedestal. In this time of increasing secularization, our traditional views of sex have fallen by the wayside. The religious right bemoans our so-called hedonism as a retreat from religion and values. Yet Pickstone challenges the belief that we have lost our spirituality and have become a world of lost souls damned for eternity. His book provides a sober and lucid response to our concerns about where our society is headed. Pickstone clearly demonstrates how we often describe sex in metaphors of natural, and even supernatural phenomena: The earth moves, oceans swell, and storms rage. Moreover, Pickstone argues, we find in both sexual and religious passion the same transcendence of self that constitutes a spiritual experience. Barriers break down as we are transported to another reality of ecstasy and heightened experience.
